The FAA continues to evaluate a large number of requests from across all aviation industry sectors to help address COVID-19-related effects. To date, FAA has taken the following actions and provided the ...

[Coronavirus \(COVID-19\) Information from the FAA](#)

Answer: Most of the statement is incorrect. Several pilots and flight instructors refer to the flight review as the bi-annual flight review. The term bi-annual means twice a year. Biennial means every two years, which is closer to the correct meaning. The FAA used to call the Flight Review a Biennial Flight Review, or BFR.
