Messages From The Body is more than a PDR from the Homeopathy Field. Illnesses and disorders are linked to beliefs and changes of beliefs about oneself, about the nature of one's relationships with others, about one's position in the social world, and about where one stands in relation to the Universe. And these, in turn, are determined by one's life experiences, by one's.

Book Review By Mary Thompson, Yogi Times. Messages from the Body by Michael Lincoln, Ph.D. gives the reader a rare glimpse into the workings of the subconscious so that awareness of the causative forces behind physical imbalance may facilitate healing. It launches into an alphabetical listing of symptoms from "abdominal cramps" to "yellow fever." Each symptom has one or more accompanying evolutionary patterns detailing how this physical symptom may have come into manifestation.

Is it common that the pain appears first as a message from the body (illness) and then it digs deeper into our soul to push us to undertake a further journey, to become more conscious? Why nothing seems to ever make me happy, satisfied and peaceful? Now, more than ever before, I live in a permanent crisis of hope. I am truly unhappy, with no buts.
