samsung fridge freezer rs21 model resetting the filter ...
With every previous fridge we owned, replacing the light bulb was as simple as removing the cover and inserting a new 15W SES appliance bulb. When the bulb blew in our Samsung fridge freezer (model RL38SCTB), it was a rather surprising challenge to replace. The cover is tricky to remove and the lamp holder base is recessed.

I'm looking for some help / advice on a Samsung American style fridge freezer RS21DCSV which we purchased back in 2004. As it's quite old I'm not sure if it's worth getting it repaired a I suspect a lot has changed during the last 16 years, as far as design and reliability is concerned. The fridge works fine, but the problem is the freezer.
